### TALK OF THE TOWN

New waist values at Abbott's. Woolen dress goods sale at Fitts'. You will see many new dress models at Abbott's.

O. W. Lewis of Nelson street is employed by the New England Tel. Co. in Burlington and at Fort Ethan Allen. Special sale Saturday on chop suey kites, three flavors, maple peniche, 20c the pound. Peanut bars and brittle at 10c the pound at 'Laws' candy shop.

Misses Jennie and Marie Comstock, who have been passing a few days with friends in the city, left this forenoon for Post Mills, there to remain over the week end. Later they are to return to their home in Massachusetts.

A small crowd attended the H. L. Douglass auction sale yesterday afternoon. The best cows sold up to \$75, young cattle brought fair prices. It was considered to be quite a decent sale all around. C. F. Smith, auctioneer.

One of the most enjoyable parish gatherings in some time was the supper served in the vestry of the Church of the Good Shepherd last evening, when nearly 100 people came together. The supper was served by a circle of church women, headed by Mrs. L. R. Rickert.

Mr. and Mrs. A. C. Moore, Mr. and Mrs. Thomas Carroll, Mrs. Susan Carroll and James Carroll have returned to the city from East Dorset, where they accompanied the body of Mr. Moore's mother, Mrs. Ellen C. Moore, for burial Wednesday.

Auction sale to-morrow for F. R. Northrup, just outside the city. Eight nice cows, registered Holstein bull, a good one; several head of slick young stock, hay, straw and ensilage, lots of nice coats, potatoes, apples and garden vegetables, Wyandotte hens and pullets, with some other property not mentioned. C. F. Smith, auctioneer.

A missionary conference of local workers opened in the First Baptist church this forenoon with many members of that denomination in attendance. The speakers for the conference are Dr. Brewer, who has seen service in the Mexican mission field, and Mrs. Elmore, a returned missionary from India. The meetings are to be continued this afternoon and evening.

The ladies of St. Monica's parish will hold a food sale in the vacant store in Morse block Saturday, Oct. 20, at 2:30. Baked beans, rolls, doughnuts, cake and all kinds of food will be on sale. The ladies in charge will be at the store to receive food at 2 o'clock. All the ladies of the parish who have not been solicited will kindly send in donations of food without further notice. Orders may be telephoned 487-M or 153-3.

Twice within a week the city water department has been called upon to repair hydrants which have suffered through collision with automobiles. Last Saturday a Summer street hydrant was beheaded and a resulting stream of water was stopped only when the break was reported to the water office and a man dispatched to the scene. Night before last someone collided with a hydrant in front of Dr. J. W. Jackson's residence on South Main street, necessitating repairs at once.

Anthony Tomasi of Merchant street has returned from Boston, where he purchased a carload of heavy work horses. The consignment is expected to arrive in the city late this afternoon, and after disposing of some of them in the local market, the owner will remove the remainder to Berlin, where they are to be used in a timber lot this winter. Mr. Tomasi is clearing his decks for action in Berlin and within a few weeks expects to have a large gang of men at work in a sector of woods which he purchased a year ago. Already thousands of feet of timber have been cut and shipped to points outside the state, but the tract thus far is far from being wholly developed and lumbering operations there will continue until spring.

After a prolonged period of seclusion because of a quarantine order which prohibited children under 16 from appearing in public, the Christoforo Colombo band resumed its open-air concerts last evening by rendering an enjoyable repertoire of band selections from the stands in City park. A sizeable crowd gathered to hear the music and to applaud the youngsters for their ability. Under the talented leadership of Prof. P. Gropelli, the musicians performed most acceptably, despite the fact that only a short time has elapsed since the members of the band were permitted to assemble for rehearsals. There was much of patriotism in the program, which began with the national anthem and ended with "America." A medley, "Victory to the Allies," was arranged by Prof. Gropelli.

State's Atty. Earle R. Davis stated today that he had not received a report from the state pathologist, Dr. B. H. Stone, who conducted an autopsy on the body of Mrs. Joseph Bennett, whose sudden death occurred in Plainfield Tuesday night. The prosecuting attorney, however, was inclined to believe that death proceeded from natural causes and said that undoubtedly permission had been given the family to proceed with plans for the funeral and interment. The request for an autopsy resulted, it was said, from the failure of the health officer to ascertain the cause of Mrs. Bennett's death. The family claimed that he was summoned soon after death occurred and that he refused to sign a death certificate. In the absence of a family physician, the autopsy proceeded. From the outset there were no suspicious circumstances in the case.

In municipal court to-day a hearing was held before Magistrate H. W. Scott in the case of Mrs. Cynthia Douglas vs. C. A. Poquet, a civil action to recover the sum of \$200 alleged to be due the plaintiff in an automobile case. Sixty-dollar testimony figured largely in the proceedings and at noon the judge adjourned court until 2 o'clock, when the hearing was resumed. The plaintiff alleges that a car which she claims to have been purchased from the defendant did not operate satisfactorily, even though the latter furnished a guarantee of satisfaction. Among those who testified for the plaintiff were H. M. Douglas, her husband, Charles Spencer, a garage employee, and W. T. Carley, who qualified as an expert witness. E. R. Davis appears for the plaintiff and the defendant is represented by A. A. Sargent.

Regular communication of Granite lodge, No. 35, F. and A. M., Friday, Oct. 19, at 7 p. m. Per order W. M.

Itching is unnecessary! Resinol stops it quickly

It is a positive fact that the moment Resinol touches any itching skin, the itching usually stops and healing begins. Unless the trouble is due to some serious internal condition, it quickly clears away all trace of eczema, ringworm, pimples, or similar tormenting, unsightly eruptions, leaving the skin clear and healthy. Doctors prescribe Resinol widely, so when you try it, you are using a remedy of proven value. Sold by all druggists.

Regular communication of Granite lodge, No. 35, F. and A. M., Friday, Oct. 19, at 7 p. m. Per order W. M.

### URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts If Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaker, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink—Adv.
